

# Exploring Beyond the Surface

## SSI Continuing Education

## Deep to 39 metre Diving

Feeling restricted by your 18m depth limitation? Want to take the next step into deeper diving? There are many fantastic wreck and wall dives available in Melbourne, many at the 25-39m mark. This course will give you the skills and knowledge you need to successfully negotiate these dives. Often, weather permitting, your training dives will be done on one of the bay's famous J class submarines.

- **Effective deep diving plans**
- **Proper surface supports**
- **Using backup equipment**
- **Enhancing your scuba skills for deep diving**
- **Recognizing and handling hazards**
- **Using all necessary specialty equipment its care and maintenance**

Your Deep to 39 metre course consists of 2 Theory sessions , 1 shore dive and 4 boat dives (2 between 18m and 30m and another 2 between 30m and 39m with redundant air supply)
