# Introduction to Marine Life Studies

Underwater Naturalist

Ever been diving and witnessed something wonderful and exotic that you didn't recognise and weren't sure how to find out what it was? Well here is the amazing opportunity you've been waiting for.

Marine Biologist, Kirsty Goss has developed an introduction into unlocking some of the mysteries of our magnificent coastal waters.

Join us for a weekend of discovery and excitement as we learn how to identify some of the marine life encountered during our oceanic adventures.
