

Exploring Beyond the Surface

SSI Continuing Education

ADVANCED ADVENTURER

TAKE THE NEXT STEP IN YOUR ADVENTURE, EXPLORE, LEARN & DIVE!

We want you to be ready for your journey. Advanced Adventurer is the beginning of that journey and allows you to preview FIVE different Specialty Programs SSI offers. To earn your Advanced Adventurer rating you will experience different specialties, these are: **boat, deep, navigation, waves-tides-current (drift) and night diving**. After you have studied the information digitally, your SSI Dive Professional will then perform a classroom dive briefing and specialty overview followed by an open water dive for each specialty.

Timetable: 1 theory evening (typically the Thursday evening prior to the week end dives)
1 complete weekend comprising of 2 Navigation dives (natural & compass) and a night dive the Saturday followed by 2 boat dives on the Sunday

Equipment: Hire gear for the entire weekend of diving will be dispatched to divers at the end of the theory session allowing divers who wish to overnight close to the dive sites to do so

PRE-REQUISITES:

Open Water diver certification
Must have completed at least 7 dives

INCLUSIONS:

- Online training access
