Dry Suit Diver

Ok so, you've got a new dry suit, what now? Dry suit diving is a great way to enjoy diving all year round but it's not as easy as just jumping in and away we go. Your dry suit diving course will give you the skills you need to safely and comfortably dive in a dry suit, as well as the knowledge to maintain and care for your dry suit.

- **Using a dry suit**
- **Types of dry suits**
- **Dry suit valves**
- **Thermal undergarment selection**
- **Accessories**
- **Techniques**
- **Maintenance**
- **Repairs**

Your Dry Suit diving course consists of 1 Theory session and 1 shore dive
